*\$125 per person; \$1,500 table sponsor*

***All proceeds benefit the Hamilton Southeastern Schools Foundation, providing grants for HSE district teachers and scholarships for HSE district students.***

---

Keynote speakers Joe Reitz and Julie Huston Thomas will discuss their journeys from HSE High School to their amazing professional accomplishments, recognizing their foundation of excellent education received at Hamilton Southeastern Schools.

Joe graduated from HSE High School in 2004. While at HSE, he played football and basketball. Joe played college basketball at Western Michigan University, finishing as the third all-time leading scorer and rebounder. Although Joe never played college football, he was signed by the Baltimore Ravens as an undrafted free agent in 2008. Joe was subsequently signed to the Colts practice squad in 2010 and started at left guard for the Colts in the 2011 season.

Julie Huston Thomas graduated from HSE High School in 1993 and began her service to George W. Bush in 1997, during his reelection campaign for Governor of Texas. She held a series of increasingly responsible positions in finance, administration, advance, policy, and outreach for the President and First Lady. Following the successful 2004 Bush-Cheney campaign, Julie returned to Austin, Texas where she launched an independent event planning and consulting firm, advising clients including the Lance Armstrong Foundation. Julie is currently enjoying her family in Austin, while volunteering in her community and continuing to follow politics closely.

## ***Dinner Registration***

Register online at [hsefoundation.org](http://hsefoundation.org) no later than March 12, 2012. Call the Foundation at 317.594.4100 with any questions or to register by phone.
