## Hamilton Southeastern Schools

Welcome to Hamilton Southeastern Schools Nutrition & Food Services! Our goal is to provide a variety of appealing and nutritious meals to the students in an environment that is respectful of each student's needs and differences. We are active participants of the USDA National School Lunch and Breakfast Programs.

HSE parents can now manage their child's school meal balances using one of two options:

## 1. Online with E-Funds

- ⇒ Take advantage of the options to prepay your student's meal accounts. Prepaid meal accounts help the lunch lines go faster and gives students more time to eat, relax, and play. It also gives you the peace of mind of not having to worry about looking for lunch money every day or worry that it might get lost, stolen or used for other things other than lunch. Set up an account or check account balances today by logging on to:

## 2. Send Check or Cash

- ⇒ You can always bring money personally or send it with your student. Please place it in an envelope marked clearly with your student's name, their ID #, their teacher's name, the \$ amount and the check #. Turn in prepaid deposits to the cafeteria cashier(s) or school office.

If you choose to bring money to school personally or send it with your student, please put it in an envelope clearly marked with the student's first and last name, their ID #, their teacher's name, and the amount enclosed.

## 3. Sign Up for Skyward E-mail Balance Alert

- ⇒ Skyward Family Access is our parent tool that allows you to view lunch balances, grades, class schedules, your current contact information, bus information and more!

**\*\*\* HSE works with parents to maintain account balances. All students have access to a healthy, lunch meal everyday. K-6 students unable to pay for lunch will be given a choice of a PB&J, turkey, or cheese sandwich meal, served with a fruit and milk.**
