HAMILTON SOUTHEASTERN HIGH SCHOOL YOUTH VOLLEYBALL CAMP

The elementary camp will be run using lighter balls and lower nets in order to help each camper be successful. We will introduce the skills in a fun and exciting way.

The intermediate camp will be similar in that lighter balls and shorter nets will be used. We will build on skills that these young ladies may have learned in Youth League or club. It will still be a great opportunity for newcomers to learn the game and each skill set that is used.

The junior high camp will be more skill specific and will focus on development of players so they are ready to try out for a junior high team in the fall. This camp is not exclusive to HSE players but anyone who wants to learn more about the game of volleyball! We will divide the groups up for those who have never played before or who have limited knowledge of the game in order for them to receive the appropriate level of instruction while at the camp.

Each Camper will receive a T-shirt for participation. As well, door prizes and other treats and awards are handed out daily to campers.
