

Skyward Family Access—Checking Student Grades

The Skyward Family Access allows parents to view live updates of student progress and grades. Due to this feature, printing midterms is no longer a district expectation for grades 1-4. Printed copies of 1st quarter report cards will be given to parents at Teacher/Parent Conference. For Quarter 2, 3, and 4 parents will need to review grades online. Paper copies will not be sent home with students. If you do not have internet access please contact your child's teacher in order to receive a paper copy of the grading information.

KINDERGARTEN PARENT INFORMATION:

Kindergarten students will be receiving a paper midterm and report cards. Kindergarten grading information is NOT available through Skyward.
