

Advanced Math Websites

A REQUIREMENT for students in Advanced Math is to quickly recall math facts by the start of school. This includes multiplication facts 0-9. Here are some websites and resources to help you assist your child practice these very important skills:

Websites for online practice:

http://www.harcourtschool.com/activity/thats_a_fact/index.html

<http://www.aplusmath.com/Flashcards/index.html>

<http://www.funbrain.com/math/>

<http://www.aplusmath.com/Games/index.html>

<http://www.oswego.org/ocsd-web/games/Mathmagician/cathymath.html>

<http://www.lizardpoint.com/math/mathsheet.html>

<http://www.learningplanet.com/sam/sm/index.asp>

<http://www.iknowthat.com/com/L3?Area=Dojo>

Websites for printing math fact sheets and other resources:

<http://www.mathfactcafe.com>

<http://www.aplusmath.com/Worksheets/index.html>

<http://www.lizardpoint.com/math/mathsheet.html>

Other great ideas for practicing math facts at home:

Try using flash cards

Have family math facts races

On a road trip, try passing the time giving each other math facts

Don't have a computer?

The public library offers free computer access and allows printing from the computer at a reasonable cost per page.
