Section C – Scholarship Eligibility Requirements

Fishers Junior High School National Junior Honor Society Alumni Scholarship Due 4-13-12

In 2003, Fishers Junior High School chartered the district’s first National Junior Honor Society based on the principles of Scholarship, Leadership, Service, Citizenship, and Character. As a chapter, we emphasize building leaders through service. The faculty council has made it a goal for the chapter to reward members that went on to put this area of emphasis into action at the high school level. Through the monies raised with our chapter’s recycling program and through a portion of our chapter dues, we will be able to make this reward a reality. The chapter will award at least two scholarships up to \$500.

Eligibility:

- Must be a senior in high school
- Applicant must have been an inducted member into the Fishers Junior High School chapter of the National Junior Honor Society
- Applicant must have been an active member of a service organization during his or her high school years. Examples of school service organizations are: National Honor Society, Student Council, Class Officer, Best Buddies, and Key Club. Service involvement is not limited to school organizations.
- Applicant must have had a cumulative GPA of 3.0 or a B average

Letter(s) of recommendation (include the evaluation form with each one) from the service organization sponsor(s). Maximum of three. Multiple letters are not as important as the commitment and service reflected in a single letter. The letters are meant to show the depth of your service, not the breadth.

Write a letter to the scholarship selection board explaining how your high school career represented our chapter’s values of Scholarship, Leadership, Service, Citizenship, and Character. The most important part of your letter will address how service helped you become a leader in the school and/or community.
