Textbooks and Library Materials:

Please be sure all fees/fines are paid and materials are turned in before the end of the school year.

Senior Service Hours:

Seniors at FHS have the opportunity to earn a special cord to wear at graduation if he or she completes 15 hours of community service by May 4th, 2012. Community service (or volunteerism) is defined as "the policy or practice of volunteering one's time or talents for charitable, educational, or other worthwhile activities in one's community."

If you need assistance in finding opportunities for community service, stop by the guidance department to pick up this information. Senior hours can be documented by picking up the forms in the guidance office and filling them out correctly (i.e. description of volunteerism, date hours served, and parent signature). Completed senior hour forms need to be turned into the student's individual guidance counselor. Please contact your student's guidance counselor if you have questions regarding what types of activities count towards senior hours.
