

Hamilton Southeastern Schools

Family Access is an **on-line tool** which allows parents/guardians to view the following information regarding their student(s):

Ethnicity/Race	Schedule
Calendar	Test Scores
Student Information	Fees
Gradebook	Report Cards
Attendance	Health Information

Family Access is available for students in Grades K – 12.

Each parent/guardian will have his/her own login information. Your login information will be sent to the email address you provided to the school at registration or the last time you updated your email with the school. One Family Access login will give you access to all of your students within the Hamilton Southeastern school district.

Skyward's Family Access also allows the primary parent/guardian the ability to update the following family information:

- Ethnicity/Race
- Home phone
- Student email
- Primary Phone
- 2nd Phone
- 3rd Phone
- Emergency contact information

Each family/guardian user of Family Access can click on 'Account Info' (upper right) to Update/change your

- Password
- Email address

Use the Family Access link on our district web page: <http://www.hse.k12.in.us/>

If you have forgotten your login or password, just click 'Forgot your login or password?' on the Family Access login screen. You will be prompted to input your email address on file. If you still cannot login, please contact your student's school office.
