

Dear Hamilton Southeastern High School Parents/ Guardians,

Welcome to the Hamilton Southeastern High School Royal Pride PTO, where all HSHS families, faculty and students are members. The Royal Pride PTO is a not-for-profit organization established to keep the lines of communication open between students, home, educators and community; assist within the school where needed with the help of volunteers; raise funds for items which are not covered in the school budget and are needed by the school, teachers or staff for the benefit of the students; and to improve and aid in the educational environment of the school.

We hope you'll join our efforts this year, whether your participation is with time, talent and/or treasure. There are many ways for you to be involved.

The extent and success of Royal Pride programs and committees are directly impacted by your financial support. As school budgets continue to shrink, your donations are more important than ever.

Once again we are offering annual tiered donation levels. Families/individuals/corporations may donate at any level and all contributors will be recognized for their financial support.

Several evening meetings will be scheduled once school begins. Everyone is encouraged to attend and participate. Meeting reminders will be sent and monthly minutes will be posted online for those that cannot attend.

Communication is the key to a successful year regarding all Royal Pride PTO activities and committee needs. This will be done via email through the Royal Pride PTO Reminders and Requests Line. The HSHS website also has a link to the Royal Pride PTO. We encourage you to support The Royal Pride with your time, talent or treasure.

Thank you.
