

Calling All Entrepreneurs!

The **Launch Fishers High School Fellowship**'s mission is to **discover and develop future entrepreneurs.**

Here's The Low Down...

Students will be chosen to participate in a week long Entrepreneurial Bootcamp hosted by Launch Fishers members and staff. At the conclusion of the bootcamp, selected students will interview to be placed with host companies for a paid summer fellowship that will run from June 12 – August 3.

Will I Get Paid?

Yes! Each student selected for an internship will be paid \$10/hour for 20 - 30 hours per week for 8 weeks (maximum of 240 hours). Note: the one-week bootcamp is not paid!

Mark Your Calendars!
