

## Current Device Information for Elementary, Intermediate, and Junior High Students

As part of the HSE21 initiative, Hamilton Southeastern Schools has implemented a 1:1 program. Each student in grades K-8 requires an iPad during the day at school.

Device requirements for the iPad are as follows:

Model Requirement: iPad 4 (iPad Retina), iPad Air, iPad Air 2, iPad Pro 9.7 inch or newer model

**(Note: an iPad Mini of any model does not meet NWEA or ISTEP testing hardware requirements)**

**(Note: an iPad PRO 12.9 inch does not meet NWEA or ISTEP testing hardware requirements)**

Memory Size: 16 GB or greater

Internet: Firewalls and filters will enable secure use of Wi-Fi at school. Therefore, no additional purchase of data plans/cellular/3G/LTE connection is needed.

Families may provide their own iPad or rent an iPad for \$90 per school year (rental includes iPad, insurance, case, charging cord and brick).

Visit <http://www.hse.k12.in.us/ADM/academics/hse21/> to find more information about HSE's 1:1 program.

\*iOS 10, released in the fall of 2016, will not support the iPad 2 or iPad 3 models. As such, HSE is phasing out all iPad 2 and iPad 3 rental devices for the 2017-2018 school year.

## Current Device Information for High School

As part of the HSE21 initiative, Fishers and Hamilton Southeastern High Schools has implemented a Bring Your Own Device (BYOD) program. All students in grades 9-12 are required to bring a personal computing device to use at school daily. The device may be any brand of tablet or laptop with at least a 9" screen.

Smartphones and iPad Minis do not meet device requirements. Firewalls and filters will enable secure use of Wi-Fi at school. Therefore, no additional purchase of data plans/cellular/3G/LTE connection is needed. \*iOS 10, released in the fall of 2016, will not support the iPad 2 or iPad 3 models. As such, HSE is phasing out all iPad 2 and iPad 3 devices for the 2017-2018 school year.

Families may rent a laptop from HSE or provide their own device.

### Rental Option

- Rental from HSE will be a Dell Latitude 3150 laptop computer
- Cost: \$90 per year (includes laptop, insurance, charging cord)

### Family Provided Option

**The device may be any brand of tablet or laptop with at least a 9" screen (this precludes iPad Mini, smartphones, etc.).**

Devices MUST have the following OS versions in order to connect to school wifi:

- Windows Vista (any version)
- Windows 7 or later
- Mac OSX 10.6 or better
- iOS 8 or newer
- Android OS (running Ice Cream Sandwich or newer)
- Chrome OS

*continued on next page..*

The following laptop hardware specifications are recommended:

- CPU - Dual/Multi-Core Processor, 2GHz or higher
- Memory - 2 GB or more
- Hard Drive - 128 GB or more
- Display - 9" minimum
- Video - Video Card with 128 MB or more
- Wireless - 802.11g/n
- Operating System - Windows 7 or Mac OSX
- Battery - Recommend extended battery or backup battery if possible

#### ANTIVIRUS SOFTWARE - RECOMMENDATION

The use of an antivirus software is recommended on all laptop devices with up-to-date virus definitions.

#### SOFTWARE CODECS AND APPS - RECOMMENDATION

It is recommended that all codec software be kept up-to-date on all laptop devices in order to run web-based software. These codecs include Shockwave, Flash, Java, etc.
