

Lingua Latīna
LFA I, Lesson X, p. 76

20 points possible
Maximum of 25 with bonus points

After reading the story “Lingua Latīna,” answer the following questions. Be sure that your answers come **from the reading** on p. 76, not from outside information.

For each question:

- You may give a short-answer in **English** for **2 pts.**
- You may give a short-answer in **Latin** for **3 pts.**
- You may give a complete sentence answer in **Latin** for **4 pts.**

You do not have to answer all questions in the same format; i.e., you may answer some in sentences and others in short answer or in English. Naturally, your answer must be correct to get the full points possible regardless of which format you answer in!

Use your book, and you may need to use a dictionary as well.
